MANAGEMENT DISCUSSION & ANALYSIS

Management's Discussion and Analysis Report for the year under review, as stipulated under regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") is as follows:

Industry Structure and Development

- In the past the industry has suffered due to various waves of COVID 19 break down. But presently the whole country has come out from the adverse effect of lockdown.

Opportunities and Threats

- In India there could be a positive side for textile business as USA and EU customers who will be looking for alternative for China, may move to other countries such as Vietnam, Bangladesh, India, etc. Hence it is expected that demand will increase in textile fabrics for exports, but we need to ensure that we prepare ourselves to take the advantage of the expected business which might drift away from China. Presently political disturbance in Bangladesh will give benefit to India.

Segmental Review and Analysis

- The main Raw Material of our Company is cotton, which is based on Agricultural production of Cotton. The Production is dependent on Monsoon. In Indian climatic condition the monsoon is always an unpredictable factor. Sometimes there is heavy rainfall & sometime the drought situation is created, which affects the production of cotton to a great extent creating heavy fluctuation in raw material prices. However, the company has somewhat managed situation & earned profit during the year.

UNITED TEXTILES LIMITED

- ii. The immediate focus shall be on improving the liquidity position of the company. It has already improved the liquidity position to some extent further the company will ensure the recovery of the outstanding and making the earliest dispatches of the finished goods inventory to have a tighter control on the working capital and reigning in fixed costs to conserve cash.

Risks and Concerns

- i. The heavy fluctuation in raw material prices will have negative impact across the industry. Also, there could be short time recessionary pressure due to high finance cost in view of repo rate increase by the RBI and money crunch in the market.

Outlook

- i. Overall, the coming years are expected to be a tough for the textile industry and major focus shall be on cost cutting measures, improving productivity, reduction in wastage and efforts on taking quality to next level and deriving efficiency to make products further cost competitive.
- ii. Further, the company plans to make some structural changes in organization to make it lean and agile and focus will be on giving improved services to customers to retain market share.
- iii. However, with our good brand image and network in the market, we expect to perform better in the ensuing year.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains an adequate and effective Internal Control Systems commensurate with its size and complexity. The Company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operation was observed.

HUMAN RESOURCE DEVELOPMENT / INDUSTRIAL RELATIONS:

The industrial relations in all units of the Company continue to be cordial. The skills, experience and passion of our people facilitate deeper customer understanding and engaging relationships and strengthen our brand value. INDEPENDENT AUDITORS' REPORT

To
The Members of UNITED TEXTILE LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying standalone financial statement of UNITED TEXTILE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the [Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rule thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

UNITED TEXTILES LIMITED

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(f) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (I) planning the scope of our audit work and in evaluating the results of our work; and (II) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE-B TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 2(f) 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Company on the Financial Statements for the year ended March 31, 2024.

Report on the Internal Financial Controls Over Financial Reporting under Clause (f) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of UNITED TEXTILE LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013. (The "Act" or the "Companies Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

UNITED TEXTILES LIMITED

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Significant Accounting Policies and Notes of Financial Statement Note no-28

1. Corporate and General Information

United Textiles Limited ("UTL") or ("the Company") is domiciled and incorporated in India. The Company is engaged in the business of manufacturing of cotton yarn.

2. Basis of preparation

The financial statements have been prepared complying in all material respects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rule 2015. The financial statements comply with IND AS notified by Ministry of Company Affairs ("MCA"). The Company has consistently applied the accounting policies used in the preparation for all periods presented.

The significant accounting policies used in preparing the financial statements are set out in Note no.3 of the Notes to the Financial Statements.

Ministry of Corporate Affairs ("MCA") through a notification dated March 24, 2021, amended Division II of Schedule III of the Companies Act, 2013. These amendments are applicable for the reporting period beginning on or after April 1, 2021. The amendment encompasses significant additional disclosure requirements and includes certain changes to the existing disclosures. The Company has applied and incorporated the requirements of amended Division II of Schedule III of the Companies Act, 2013 while preparing these standalone financial statements based on available information including exposure draft of revised guidance note on Division II- Ind AS schedule III to the Companies Act, 2013 issued by the corporate laws & corporate governance committee of the Institute of Chartered Accountants India (ICAI).

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Note no.4 on critical accounting estimates, assumptions and judgements).

3.0 Significant Accounting Policies

3.1 Basis of Measurement

The financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- Certain financial assets and liabilities except borrowings carried at amortised cost,
- defined benefit plans – plan assets measured at fair value,
- Land under Property, plant and equipment on transition to IND AS

3.2 Property, Plant and Equipment

a) Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

UNITED TEXTILES LIMITED

b) Depreciation is provided on Written down Value Method over the remaining useful life of the assets in the manner prescribed in Schedule II of the Companies Act, 2013.

c) The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

3.3 Intangible Assets

Identifiable intangible assets are recognised:

- a) when the Company controls the asset,
- b) it is probable that future economic benefits attributed to the asset will flow to the Company and
- c) the cost of the asset can be reliably measured.

3.4 Impairment of non-current assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

3.5 Cash and cash equivalents

Cash and cash equivalents includes Cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they are considered an integral part of the Company's cash management.

3.6 Inventories

Inventories are valued at the lower of cost and net realizable value except scrap, which is valued at net realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. The cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their respective present location and condition. Cost is computed on the weighted average basis.

3.7 Employee benefits

a) Short term employee benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the related services are rendered.

b) Leave encashment being a short term benefit is accounted for using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to profit and loss in the period in which they arise.

UNITED TEXTILES LIMITED

c) Contribution to Provident Fund, a defined contribution plan, is made in accordance with the statute, and is recognised as an expense in the year in which employees have rendered services.

d) The cost of providing gratuity, a defined benefit plans, is determined using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to Other Comprehensive Income in the period in which they arise. Other costs are accounted in statement of profit and loss.

3.8 Foreign currency reinstatement and translation

(a) Functional and presentation currency

The financial statements have been presented in Indian Rupees, which is the Company's functional and presentation currency.

(b) Transactions and balances

The Company does not have any foreign currency transactions and therefore, exchange risk including foreign currency sensitivity is not applicable.

3.9 Financial Instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and liabilities are initially measured at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets or financial liabilities (Other than financial assets and financial liabilities at fair value through profit and loss account) are added to or deducted from fair value measured initial recognition of financial asset or financial liability.

Financial Assets and liabilities are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and liabilities and the assets and liabilities contractual cash flow characteristics.

Financial Assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest amount outstanding.

Financial Assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction cost directly attributable to the acquisition of financial assets and liability at fair value through profit or loss are immediately recognised in profit or loss.

UNITED TEXTILES LIMITED

Financial Liabilities

Financial liabilities including interest bearing loans and borrowings and trade payables are subsequently measured at amortised cost using the effective interest rate method (EIR) except those designated in an effective hedging relationship.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

3.10 Borrowing costs

Borrowing costs specifically relating to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporary deployment of funds) as part of the cost of such assets. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

All other borrowing costs are expensed in the period in which they occur.

3.11 Taxation

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income. In such cases the tax is also recognised directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognised in equity or other comprehensive income is also recognised in equity or other comprehensive income, such change could be for change in tax rate.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Minimum Alternative Tax (MAT) is applicable to the Company. Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

3.12 Revenue recognition and other income

Sale of Goods

Revenue is recognized at the fair value of consideration received or receivable and represents the net invoice value of goods supplied to third parties after deducting discounts, volume rebates and outgoing sales tax and are recognized either on delivery or on transfer of significant risk and rewards of ownership of the goods. Material returned/ rejected is accounted for in the year of return/ rejection.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

3.13 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares, if any.

3.14 Provisions and contingencies

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the

Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

UNITED TEXTILES LIMITED

3.15 Leases

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

And in case entity is lessor, it identifies whether the lease is defined as finance or operating lease as per the criteria given in Ind As 116.

In case of Operating lease, an entity recognises lease payment as Income on straight line basis

In case of Finance lease, an entity initial measurement

- (i) derecognises the carrying amount of underlying assets
- (ii) recognise the net investment in lease
- (iii) recognise profit and loss on selling profit or selling loss

and on subsequent measurement, entity recognises finance income over the lease period and reduces the net investment in the lease for lease payment received and recognise income from any variable lease payments and recognises any impairment of the net investment in the lease

3.16 Current /non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle,
- b) It is held primarily for the purpose of trading,
- c) It is due to be settled within twelve months after the reporting period, or

UNITED TEXTILES LIMITED

d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.17 Recent accounting pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standard) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any New Standard or amendments to the existing standard applicable to Company.

4. Critical accounting estimates, assumptions and judgements

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

(a) Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible.

(b) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

(c) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

5. Financial risk management

Financial risk factors

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has short term current investments only. The Company's activities expose it to a variety of financial risks:

i) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other risk which is equity price risk and commodity risk. The Company is not exposed to the aforesaid risk as the Company does not have any transactions in foreign currency and its borrowings accounted for on account of preference capital is at fixed rate of interest.

UNITED TEXTILES LIMITED

ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

Market Risk

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. However, such effect is not material.

(a) Interest rate risk and sensitivity

The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with floating interest rates, any changes in the interest rate environment may impact future cost of borrowing.

With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of loans and borrowings.

Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The ageing of trade receivable is as below:

Liquidity risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. In case of temporary short fall in liquidity to repay the bank borrowing/operational short fall, the company uses mix of capital infusion and borrowing from its holding company. However, the company envisage that such short fall is temporary and the company would generate sufficient cash flows as per approved projections.

The table below provides undiscounted cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

The Company is required to maintain ratios (including total debt to EBITDA / net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders, except where exemption is provided by lender.

Capital risk management

The Company aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. 20

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

UNITED TEXTILES LIMITED

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital. Net debt is calculated as loans and borrowings less cash and cash equivalents.

The Gearing ratio for FY 2023-24 and 2022-23 is as under:

Particulars	As of March 31, 2024	As of March 31, 2023

Fair Value hierarchy

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices/NAV for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

For assets and liabilities which are measured at fair value as at Balance Sheet date, the classification of fair

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 2 as described below:

Remeasurement - Actuarial loss/(gain)	(1.35)
For the year ended March 31, 2024	(1.35)

UNITED TEXTILES LIMITED

10.6. The principal actuarial assumptions used for estimating the Company's defined benefit obligations are set out below:

Weighted average actuarial assumptions	As at March 31, 2024	As at March 31, 2023
Attrition rate	-	-
Discount Rate	7.25%PA	7.39% PA
Expected Rate of increase in salary	5.50%	5.50% PA
Expected Rate of Return on Plan Assets	-	-
Mortality rate	100% of IALM 2012-14	100% of IALM 2012-14
Expected Average remaining working lives of employees (years)	29.08 years	30.36 years

The assumption of future salary increase takes into account the inflation, seniority, promotion and other relevant factors such as supply and demand in employment market. Same assumptions were considered for comparative period i.e. 2014-15 as considered in previous GAAP on transition to IND AS.

10.7. Sensitivity analysis:

For the year ended March 31, 2024

Particulars	change in Assumption	(Amount in `)	
		Effect on Gratuity obligation	Effect on leave encashment obligation
Discount rate	+0.5%	-0.50	-
	-0.5%	+0.57	-
Salary Growth rate	+0.5%	+0.58	-
	-0.5%	-0.51	-

(Amount in Lakhs)

For the year ended March 31, 2023

Particulars	change in Assumption	(Amount in Lakhs)	
		Effect on Gratuity obligation-	Effect on leave encashment obligation
Discount rate	+0.5%	-0.40	-
	-0.5%	+0.45	-
Salary Growth rate	+0.5%	+0.045	-
	-0.5%	-0.40	-

UNITED TEXTILES LIMITED

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

10.8. History of experience adjustments is as follows:
